Kindergarten Program Goals:

- To encourage the spiritual, social, emotional, physical and cognitive growth of each child within a safe environment.
- To help children learn about God's love for them and respect and care for others.
- To help children develop a positive self-image.
- To strengthen large and small motor skills through indoor and outdoor activities.
- To develop number and language skills through classroom instruction, small-group interaction and center-based learning in order to prepare children for reading, writing and math in the next grade level.
